

Reseller Product List

Last Update: 6/9/2009

Explanation of the Reseller Product List (this document)

This document contains information about Xila Broadband's wholesale billing and rate options and the actual wholesale rates for value added resellers. Xila Broadband offers two wholesale billing structures for resellers to choose from, Standard and Flex. Standard pricing is the default for all resellers while Flex pricing offers resellers the opportunity to receive an instant discount on standard wholesale prices and a larger discount as performance increases. The document shows standard pricing only (does not show Flex Rate pricing).

Flex Rates vs. Standard Pricing

Standard pricing is Xila Broadband's default wholesale pricing for DSL, VoIP, and Bundle services. Flex pricing is an alternative and optional option for reseller who would like to take advantage of lower pricing based on their performance. This document shows all prices in Standard Pricing. To view wholesale pricing with the Flex Tier discount applied visit [our Flex Rate calculator](#). A reseller may take advantage of Flex Rates after sign up for a one-time fee of \$59.99. Flex Tiers automatically adjust monthly based on the previous months total spend.

Standard pricing and Flex Rates have fee's that vary, these fee's include activation & cancellation fees. See the table below for details.

Flex Tier	Monthly Spend	DSL Activation Fee	VoIP / Bundle Activation Fee	Cancellation Fee	Discount
Blue Tier (Tier 1)	\$0.00 to \$100.00	\$0.00	\$15.00	\$10.00	10% off Standard
Orange Tier (Tier 2)	\$100.00 to \$500.00	\$0.00	\$14.00	\$8.00	20% off Standard
Purple Tier (Tier 3)	\$500.00 to \$2000.00	\$0.00	\$13.00	\$7.00	25% off Standard
Pink Tier (Tier 4)	\$2000.00 +	\$0.00	\$12.00	\$6.00	30% off Standard
Standard Pricing (Non Flex)	NA	\$0.00	\$20.00	\$10.00	NA

A definition of all fees associated with the Xila Broadband reseller program.

Activation Fee: Charged at the time the service(s) are activated, usually to cover cost associated with provisioning and setup.

Cancellation Fee: Charged only when a order has been successfully activated and services are canceled by the reseller or automatically on the cycle expiration date.

VoIP Only Plans (Residential)

Residential unlimited plans available to resellers for activation.

Activation Fee: \$20.00 (Standard Rate)

Cancellation Fee: \$10.00 (Standard Rate)

Plan ID	Network	Plan Name	Location	DID Type	Reseller Price
XV90001	XilaVoIP	Unlimited US/Canada Calling	R	US	\$19.95
XV90002	XilaVoIP	Unlimited US/Canada Calling w/ a Toll-Free Number	R	Toll Free	\$49.95
XV90003	XilaVoIP	Unlimited US/Canada/Mexico Calling (Mexico Fixed Only)	R	US	\$59.95
XV90004	XilaVoIP	Unlimited Mexico Calling (Fixed)	R	US	\$39.95
XV90005	XilaVoIP	Unlimited 9 (Argentina, Brazil, Canada, Chile, Mexico, Panama, Peru, US & Venezuela)	R	US	\$79.95
XV90006	XilaVoIP	Unlimited Brazil Calling	R	US	\$59.95

DSL Plans - Standard Pricing - (Organized by Network)

Dry Loop DSL Plans

Dry loop DSL allows your customers to obtain DSL service without having to obtain a traditional telephone at their home or business. The following is a list of residential and business plans. Dry Loop DSL plans are offered on the VER and VERTAS network only. The ATT & ATTTAS network are currently not offering dry loop service. DSL plans are organized by network, if your unsure which network services are available in a specific area, please reference our [coverage map](#) .

R= Residential B= Business

Activation Fee: \$0.00

Cancellation Fee: \$10.00 (Standard Rate)

If you plan to take advantage of our [premium pricing](#) you will receive \$6.50 off the wholesale price show below. A \$15 activation fee will also apply.
